Walk of Hope

Take a step in the right direction… and make a difference in the lives of children with cancer.

In some mythical places, the streets are paved with gold. But here at Brent's Place, our paths are paved with memories, reminding us of the long roads many of our families took to get here.

Please consider the purchase of a customized brick for our Walk of Hope, a special place of reflection and celebration where our kids with cancer and their families can while away quiet sun filled afternoons. Each brick can be inscribed with a personal message, or a tribute to a loved one or special event.

**Walk of Hope pavers are dedicated at our annual Open House in December. All orders must be received by October 20th, 2017.*

All pavers are engraved bricks available in two different sizes.
