

Fundraising 101

Don't know where to start? We've got you covered. Fundraising is easier than you think! All you have to do is ask. Here are a few tips and tricks to get you to the finish line:

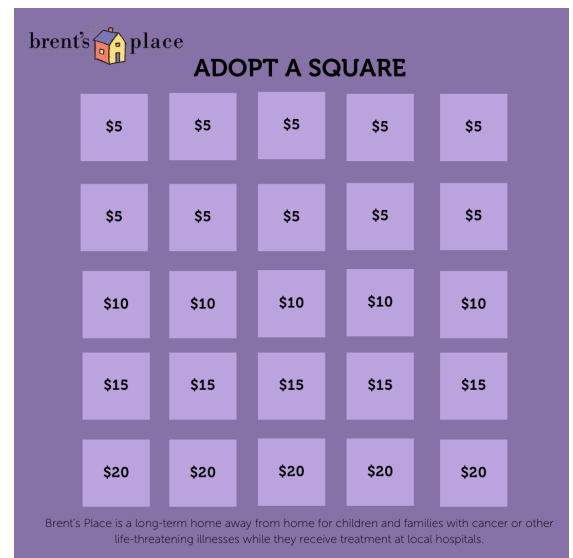

Make it Personal

Start by adding personal touches to your fundraising page. Upload your photo and let people know what makes Brent's Place special to YOU! And don't forget to add a goal. Now, send your page to friends, family, and coworkers.

Use Social Media

- Share a link to your personal fundraising page on Facebook or add it to your Instagram bio.
- Post photos and videos to take followers along on your Virtual Rider journey.
- Play Giving BINGO by inviting friends to adopt a square for a donation amount. Add donors names to their square using your phone's photo editor.
